

MEETING NOTICE
The Rhode Island Mercury Reduction Commission

Friday, February 18, 2005
10:00 a.m.-12:00 p.m.
3rd floor Conference Room 380C1
RI Department of Environmental Management – Office of Waste Management

Meeting Agenda

1. Review of Commission's Final Recommendations
2. Review of Subcommittee's Final Recommendations
3. Continuation of Editing Final Draft of Commission Report

Directions to Room: From the single elevator in the front of the building (Promenade Street), go to the 3rd floor. Hang an immediate right off the elevator into the Office of Waste Management. 380C1 is right inside the door to the right.

OR

From the double elevators in the back of the building (outside our cafe) at the Beach Street entrance, take the elevators to the 3rd floor. Go right off the elevators and take an immediate right down a long hallway (which goes past our cafeteria and mail room). Continue straight until the hall ends. Take a right, which brings you into the Office of Waste Management. 380C1 is right inside the door to the right.

If communication assistance (readers/interpreters) is needed, contact the Governor's Commission on the Handicapped at least three business days prior to the meeting so arrangements can be made to provide such assistants at no cost (401-222-3731). The meeting place is handicapped accessible.

The RI Mercury Commission was created in 2003 pursuant to RIGL §23-24.9-2.1
